Mammoth Employees and their dependents (as defined in the Employee Handbook) are eligible to book discounted fares at 20% below the regular published fares on Horizon/Alaska Air flights.

- MMSA Employees will have the ability to request the discounts on each way fare for themselves and up to 5 of their dependents (6 total passengers including themselves). A separate discount URL will be issued for each passenger.
- Employee does not have to be on the flight in order to book reservations for his or her dependents

Fares are not guaranteed; employees will be provided with a code and can go online to check rates/make reservations. Discounts apply on all Alaska/Horizon flights that start or end in Mammoth, except Hawaii and Prudhoe, Alaska.

To book discount flights, employees must fill out an **Employee Airfare Form** which can be found on the Mammoth Intranet in the benefits section, <http://intranet/hr/benefits/forms/index.cfm>. You can also get the form by contacting valuepasssupport@mammoth-mtn.com or calling extension 3199.

The form should then be faxed or mailed to the Call Center as follows:

- Fax: (760) 934 0761
- Email: ValuepassSupport@Mammoth-mtn.com

For full details ask a supervisor to print out the requirements for you.
